BON 2017 MASTER CATALOG AVAILABLE FREE TO THE TRADE

(GIBSONIA, PA, USA) – Bon’s line of contractor-grade hand tools and materials for the building trades has been expanded to include over 100 new items introduced in January 2017. The full product line is featured in Bon’s 2017 Master Catalog which is available free to the trade.

Bon’s catalog provides one comprehensive resource of hand tools for the building trades. Bon is an industry leading manufacturer and distributor of construction tools for professionals. The large selection of tools available at Bon include tools for masonry, concrete and decorative concrete finishing, concrete restoration, drywall, interior construction, floor covering, asphalt, roofing general construction and more. To request a catalog call 724-443-7080 or email us at sales@bontool.com or you can view all 6,000 products on line at www.bontool.com.

New products of interest span the trades including the Blue Mule Concrete Placer and the Tar Heel Checker for asphalt; the Kangaroo Combo Screed with Built-in Level for concrete work, a new contractor grade line of shovels, and multiple Spray Sok™ protective head covers due to Bon’s recent acquisition of the Spray Sok™ operating assets.

From the invention of masonry guides nearly 60 years ago to the introduction of the first-ever stainless steel Bullet™ groover, Bon Tool Co. remains committed to the development and improvement of products for today’s contractor.
