BON BACKPACK VIBRATOR

(GIBSONIA, PA, USA) – Bon’s new Backpack Vibrator is equipped with a reliable Honda 4-stroke engine. It is ideal for general construction applications such as footings and stem walls, decks, driveways and stairways. The vibrator can power a flex shaft in excess of 20’. Four sizes are sold separately by Bon. Bon Tool Co. has been manufacturing construction tools for professionals since 1958. Today nearly 6,000 items are available for the trowel trades. See all on Bon’s website and search part #82-769 for more information on this vibrator.
