## **BON 2018 MASTER CATALOG AVAILABLE FREE TO THE TRADE**

(GIBSONIA, PA, USA) – Bon’s line of contractor-grade hand tools and materials for the building trades has been expanded with over 100 new items which are included in the recently released, 60<sup>th</sup> anniversary issue of Bon’s Master Catalog. The 2018 catalog includes over 5,500 parts, representing most items of Bon’s full product offering. It is available free to the trade by making a request online at [www.bontool.com](http://www.bontool.com), phoning 724-443-7080 or emailing [sales@bontool.com](mailto:sales@bontool.com).

Bon is an industry-leading manufacturer and distributor of construction tools for professionals. This catalog provides one comprehensive resource of hand tools for the building trades. A few significant changes have been made to the catalog which releases in April 2018. Box quantity data is included which also indicates the order quantity required for a unit price break. Also, the suggested retail price is printed allowing an easy way to differentiate product quality and compare similar products.

The large selection of tools available at Bon include tools for masonry, concrete and decorative concrete finishing, concrete restoration, drywall, interior construction, floor covering, asphalt, roofing general construction and more. New products of interest span the trades including a Scaffold Plank with a Slip Resistant Surface, a Reversible Head Asphalt Squeegee, a new Stucco Patch Gun, a Paver Dolly Cart and a new Bull Float Carrying Case that holds 4 handles and an 8-inch channel or bull float with bracket attached.

From the invention of masonry guides nearly 60 years ago to the introduction of the first-ever stainless steel Bullet™ Groover and Comfort Wave Handle, Bon Tool Co. remains committed to the development and improvement of products for today’s contractor.
