BON 2019 MASTER CATALOG AVAILABLE FREE TO THE TRADE

(GIBSONIA, PA, USA) – Bon’s line of contractor-grade hand tools and materials for the building trades has been expanded with over 350 new parts which are included in the recently released annual issue of Bon’s Master Catalog. This 2019 catalog includes over 5,000 parts, representing the majority of Bon’s product offering. It is available free to the trade by making a request online at www.bontool.com, phoning 724-443-7080 or emailing sales@bontool.com.

Bon is an industry-leading manufacturer and distributor of tools for construction professionals with a large selection of tools for masonry, concrete and decorative concrete finishing, concrete restoration, drywall, interior construction, floor covering, asphalt, roofing and general construction. The Bon catalog provides one comprehensive resource of hand tools for the building trades. This year marks the introduction of two new trowel lines: Keystone Forged™ Masonry Trowels; and Steel City™ Concrete Finishing Trowels.

Other new products of interest span the trades including a Jack Line for masonry unit aligning; a Seal Coat Squeegee for concrete restoration work, Bucket Dippers for plaster work; and a new Bull Float Carrying Tote Bag that holds 4 handles and a channel or bull float with bracket attached.

From the invention of masonry guides 60 years ago to the introduction of the first-ever stainless steel Bullet™ Groover and Comfort Wave Handle, Bon Tool Co. remains committed to the development and improvement of products for today’s contractor.

About Bon Tool Co:

Bon Tool Co., a leading manufacturer of construction tools and equipment in the United States, has been manufacturing construction tools for professionals since 1958. More than 6,000 contractor-quality hand tools are currently available. For more information contact our sales department at 800-444-7060 or visit the website at www.bontool.com.
