BON 2020 MASTER CATALOG AVAILABLE FREE TO THE TRADE

(GIBSONIA, PA, USA) – Bon’s line of contractor-grade hand tools and materials for the building trades has been expanded with over 200 new parts which are included in the updated annual issue of their Master Catalog. The 2020 full line catalog includes over 5,000 parts, representing the majority of Bon’s product offering. It is available free to the trade by making a request online at www.bontool.com, phoning 724-443-7080 or emailing sales@bontool.com.

Bon is an industry-leading manufacturer of tools for construction professionals with a large selection of tools for masonry, concrete and decorative concrete finishing, concrete restoration, drywall, interior construction, floor covering, asphalt, roofing and general construction. The Bon master catalog provides one comprehensive resource of hand tools for the building trades.

Over 100 new decorative concrete urethane mats were added to Bon’s product line due to the company’s recent acquisition of the assets of Specialty Concrete Products. In addition Bon completed an exclusive partnership agreement to bring Jag Clamp from Bon to the marketplace. This is a revolutionary line holding tool that is quick to use for vertical or horizontal applications.

Other new products of interest include Heavy Duty Aluminum Box Levels; a new Poly Scoop Shovel; and a Melter Station and Pour Pot/Bander for asphalt work.

From the invention of the Bon Masonry Guides over 60 years ago to the introduction of the first-ever stainless steel Bullet™ Groover and the Keystone Forged™ Masonry Trowels, Bon Tool Co. remains committed to the development and improvement of products for today’s professional contractor.
