BON TOOL CO RELEASES 2026 MASTER CATALOG FEATURING 185+ NEW PRODUCTS AND EXPANDED DECORATIVE CONCRETE, PLASTER, STUCCO, AND DRYWALL OFFERINGS

Free to the Trade at www.bontool.com

Gibsonia, PA — Bon Tool Co. announced the release of its **2026 Master Catalog**, featuring more than [185+ new products](#) and significant expansions across concrete finishing, masonry, **plaster, stucco, and drywall** applications.

The 2026 catalog highlights Bon Tool's continued investment in innovation and trade-driven solutions, including the integration of **ArtCrete's stencil, texture, and cementitious product lines**, strengthening Bon Tool's decorative concrete offerings while also expanding creative and functional solutions for vertical and interior finishes.

Key additions and expansions in the 2026 catalog include:

- [Expanded Decorative Concrete Line](#), featuring stencil patterns, textures, cementitious products, and supporting materials
- [Adhesive Stencil Solutions for Plaster, Stucco, and Drywall](#), enabling decorative, architectural, and custom finish applications on vertical surfaces
- [Ultra-Low VOC Sealer](#), designed to deliver performance while meeting environmental and regulatory requirements
- [Surface1™ Concrete Finishing Aid](#), engineered to extend workable surface time and improve finish consistency
- [Overlay Liquid Resin](#), supporting trowel-applied overlays and resurfacing systems
- [CreteClogs™ Footwear](#), available in both **spiked** and **smooth** options for flatwork, overlays, and self-leveling applications
- [New Unique Sizes in Steel City Trowels](#), offering professionals hard-to-find dimensions for specialized finishing work
- [Blue Steel Edgers](#), expanding finishing options with enhanced durability and clean edge performance

The catalog reinforces Bon Tool's commitment to supporting contractors across a broad range of trades, from concrete and masonry to plaster, stucco, and drywall, with tools and systems designed for consistency, efficiency, and jobsite reliability.

“Our 2026 Master Catalog reflects the evolution of the trades we serve,” said Tom Harford Production Manager and Engineer. “With more than 185 new products and expanded offerings in decorative concrete, plaster, stucco, and drywall, this catalog delivers practical solutions driven by real-world jobsite needs.”

The **Bon Tool Co. 2026 Master Catalog** is available through authorized distributors and online, serving as a comprehensive resource for professional-grade construction tools and finishing systems.

Comprehensive Resource for Construction Professionals

Bon's Master Catalog serves as a vital resource for contractors, offering a complete range of high-quality tools designed to meet the demands of various trades. For more information on Bon's extensive product line and to [request a 2026 Bon Master Catalog here](#).
